

Team 73 Invitation

Team 73 invites you to an introductory meeting and social to introduce to you a plan to help improve equitable co-curricular opportunities for every student within School District 73.

There is now for the first time a Corporate Sponsorship Policy in place in District 73 and Team 73 has been charged with its implementation. We hope to engage a very large cross section of our business community and School District 73 Alumni in this effort.

At this time... we want to acknowledge and thank our first two major sponsors – Kamloops Daily News and The Jim Pattison Group for their enthusiastic willingness to be partners in this community initiative. They will be in attendance on Oct 5th to support and acknowledge your participation.

Our meeting will be short but informative, pledge forms and feedback forms will be available through which we hope to bring you on board as a partner and avail ourselves of your experience and expertise.

We will convene at Frick & Frack - 6th and Victoria St, on Tuesday, October 5th from 4:30 p.m. to 6:00 p.m. Appetizers will be served with no host bar available. Please join us!

Thanking you in advance for your involvement and consideration;

Team 73 Kevin Carswell
